WELCOME TO THE
**UNL
EMERITI
ASSOCIATION**

WE HAVE THREE PURPOSES

1

To promote social activities among members.

LEARN ABOUT THE ASSOCIATION

The Association maintains an active schedule of special activities and social events throughout the year. Recent activities include tours of the Biomedical & Obesity Research Core Facility on East Campus and the new St. Thomas Aquinas Chapel just off campus. Regular social events include a Halloween and December holiday party and a Valentine's Day celebration highlighted by a contest featuring homemade valentines as part of the Association's monthly coffee house

2

To foster discussion of issues and concerns of importance to members.

LEARN ABOUT ORAL HISOTRY

Oral histories explore recent UNL history through the experiencers and recollections of retired UNL faculty, administrators, and staff. The oral history project was launched in 2008 by the Association and contains thirty-seven videotaped interviews. Learn more about the University through the challenges and events on and off campus as experienced by those who served UNL.

3

To encourage sharing of knowledge and expertise relevant to retirees.
